CREMATION ONLY OPTIONS

London, Surrey, Kent and Oxford

We work with crematoria closest to you to facilitate Direct Unattended Cremations & Private Goodbyes. Recognising the already complicated emotions of grief we like to keep people close to home and within the area they lived - not only kinder on you but kinder on the planet too.

For those who do not wish to have a ceremony we work to make this difficult time as kind as straight forward on you as possible. One flat fee, this includes all cremation arrangements, bringing into care, completion of all paperwork, the cremation free and a sustainable coffin. We use a cardboard coffin as standard unless requested.

Keeping services simple, discrete and dignified we do not use a hearse for our Cremation Only options. The coffin is delivered directly to the chapel in a private ambulance by one of our team. With a Cremation only service we will always keep you informed of when we are bringing someone into our care. We will of course let you know the time and location where the cremation is happening. We are always happy to assist and advise on how you can mark the time and honour the life in a way that is right for you.

UNATTENDED DIRECT CREMATION - No ceremony, no guests in attendance. £1200

We value keeping the person who has died as close to their home as possible. We will arrange their cremation will take place in one of the Thereafter network of crematoria, St Marylebone or Golders Green in London, Woking in Surrey, Garden of England in Kent, Thames View in Gravesend or Banbury in Oxford.

PRIVATE GOODBYES - Giving the funeral back to you £2000

For some the physicality of saying goodbye in a crematoria is very important in the process of grief. Our Private Good Bye provides you with 20 minutes of private time within the chapel.

Additional Charges

Doctors Fees £82

Here in the UK deaths that occur in a hospital or at home Doctors certification is required. This is an unavoidable fee.

Extra Large Coffin Charge £250

Should a larger than the standard coffin be required.

Return Of Ashes

You may choose to collect the ashes in person directly from the crematorium, alternatively one of the Thereafter team can hand deliver these to you.
